

# FUND FACT SHEET

## Sanlam Namibia Active Fund

### Fund Objective

The Sanlam Namibia Active Fund's objective is to provide a high level of income and to maximise returns over the medium to long term. The fund is actively managed and invests across the income-yielding universe, including fixed-interest securities, corporate and government bonds, preference shares, money-market instruments and listed property. Investors in this fund accept the aggressive performance objectives that go hand in hand with higher volatility and higher risk characteristics.

### Fund Strategy

Superior returns are sought through tactical asset allocation and high conviction bets across the income-yielding universe, including corporate and government bonds, money market instruments, preference shares and listed property. Opportunities are taken across the entire duration and credit spectrum. This is an actively managed and widely diversified income fund.

### Why choose this fund?

- \*Actively and aggressively managed.
- \*Widely diversified - invest across all income-yielding asset classes.
- \*Can invest through the entire duration and credit spectrum.
- \*Specialist and experienced investment team implements high conviction investment views.
- \*This fund complies with holding a minimum of 45% Namibian Assets.**
