Unit trusts should be considered a medium- to long-term investment. The value of units may go down as well as up. Past performance is not necessarily an indication of future performance. Unit trusts are traded at ruling prices and can engage in scrip lending and borrowing. Fluctuations or movements in exchange rates may cause the value of underlying investments to go up or down. Instructions must reach the Management Company before 12pm to ensure same day value. Fund valuations take place at approximately 15h00 each business day and forward pricing is used. †Performance as calculated by NUTM as at 31 January 2026 for a lump sum investment using Class A NAV prices with income distributions reinvested. Performance figures are quoted after the deduction of all costs incurred within

Advice Costs

- Initial and ongoing advice fees may be facilitated on agreement between the Client and Financial Advisor.
- An initial advice fee may be negotiated to a maximum of 3% and is applied to each contribution and deducted before investment is made.
- Ongoing advice fees may be negotiated to a maximum of 1% per annum (if initial advice fee greater than 1.5% is selected, then the maximum annual advice fee is 0.5%), charged by way of unit reduction and paid to the Financial Advisor monthly in arrears. This annual advice fee is not part of the normal annual management fee as disclosed above.
- Where commission and incentives are paid, these are included in the overall costs.
